The funeral plans have been announced for Elgin Barron, a Guelph man who was killed in an explosion at a Mexican resort on Nov. 14.

Berthiaume Funeral Home says the 52-year-old will be laid to rest in Hawkesbury, near Ottawa, on Nov. 22.

The long-time employee of Cambridge's Com Dev International was vacationing with friends Larry and Linda Smith of Cambridge.

Larry Smith suffered a fractured spine in the explosion and is recovering in a Mexican hospital.

Five Canadians and two Mexicans were killed in the blast at the 676-room Grand Princess Hotel south of Cancun. A number of people were also injured.
