A 19-year-old man who had been working in **Orange County** has been found dead in **Tijuana**.

The victim has been identified by the U.S. Consulate there as **Shane Pennington** and his family in **North Carolina** has been notified about the death, consular officials said Monday.

The circumstances surrounding Pennington's death are unclear. The **Baja California** state attorney general's office released a report March 24 of a man's body found on the beach at Playas de Tijuana; he had been stabbed numerous times.

Mexican press reports described the victim as a red-haired American, believed to be about 20 years old, dressed in a blue striped shirt, blue jeans and white tennis shoes. The description generally matches that of Pennington.
